All proceeds will benefit the following organizations:

Ocean of Love for Children With Cancer

Ocean of Love is dedicated to helping Ocean County children with cancer and their families. Their purpose is to assist the children through their illness. They provide financial and emotional support so the children can experience the "normal" joys of childhood, knowing their lives are significant and meaningful to each and every one of us. To-date, over 500 families have been helped by their program.

ASLAN YOUTH MINISTRIES

In 1996, Aslan also established an outreach in Ouanaminthe, Haiti, along the northeastern border of Haiti and the Dominican Republic. Aslan's programs include one-on-one mentoring and tutoring, character development classes anchored in Christian values and principles, recreational activities, summer camps and cultural enrichment programs.
